Name: Roger Pyne

- 1. Where were you born? When did you come to Australia and why?**

I was born in the UK in 1941. I was born in Dartmouth Devon during the war. My dad was in the British navy. However, just after I was born, he was transferred to the Australian Navy. I didn't see him until I was four.

- 2. What's your medium and why do you do what you do?**

The medium I use is acrylic on canvas. The reason for this is that it dries quickly.

- 3. How has your work changed over time?**

My work is changing all the time. From landscapes to flowers to surrealism and portraits.

- 4. Name three artists you'd like to be compared to.**

To name three artist that inspired me I would say.... Jimmy Lawler an Irish surrealist, Andrew Tischler a land scape artist, and Michele Del Campo an Italian artist.

- 5. Professionally, what's your goal?**

Professionally I don't have a goal. I paint for pleasure. I have a large family, and my paintings hang in the houses of my kids and grandkids.
